Ventilación tangencial (autoventilado)  
Función Pre-Calentamiento  
Bandeja Profunda + Parrilla cromada  
Contrapuerta full en cristal  
Producto Fabricado en Europa

HBB 605

ETIQUETA ENERGÉTICA

The image shows an energy label for a TEKA HBB 605 refrigerator. At the top left is the European Union flag. To its right is the word "ENERG" in large letters, with "енергия - енергія" below it. Further right are two circular icons: one with "Y" and "IA" and another with "IE" and "IA". Below this is the TEKA logo and the model number "HBB 605". The main part of the label features a vertical scale of energy efficiency classes from A+++ (top, green) to D (bottom, red). A black arrow points to the "A" class. Below the scale are two boxes: the first shows a refrigerator icon and "70 L"; the second shows a cycle icon and "0.82 kWh/cycle\*". Below these boxes is a line of small text in multiple languages: "\* kWh/cycle: porton - чаша; nahilapuan - ciclo - tsilakel - shilima - ciklus; ciklus cikls - cikls - cyklus - cykl - ciklu - program - cykel". At the bottom left is the number "65/2014".
